## **ACCESSIBILITY OF SARA TITLE III HAZARDOUS SUBSTANCE INFORMATION**

Section 324 of the Emergency Planning and Community Right to Know Act, also known as SARA Title III (Superfund Amendments and Reauthorization Act of 1986, PL99-499) requires public notice at least once annually informing the public of the means to access information about extremely hazardous substances that are manufactured, stored, and used within their community. Follow-up emergency notices may subsequently be issued.

Accordingly, information concerning Barton County Local Emergency Planning Committee (LEPC) meetings, SARA Title III hazardous materials planning (which is included in the Barton County Emergency Operations Plan), materials safety data sheets (MSDS), and hazardous chemical inventory forms (listing extremely hazardous substances manufactured, stored, or used within Barton County) can be obtained during normal business hours by contacting the Barton County LEPC Information Coordinator, Barton County Emergency Management Office, 1400 Main, Room 108, Great Bend, Kansas 67530 or by telephone at 620-793-1919.
