Permit # _____

UTILITY PERMIT

Whereas, _____ Owner,
(name and mailing address)

and _____
(name and mailing address)

As Agent, Lessee, Contractor, hereinafter termed the petitioner, request permission and authority to do certain work

involving the County Highway right-of-way in, upon, or along Section _____, Township _____

_____ S, Range _____ W, Barton County _____

_____ miles from _____

_____ (city of jct.).

Described as follows:

Subject to the following conditions and restrictions:

PLANS: Petitioner shall furnish two (2) sets of comprehensive plans or sketches, 8 1/2" X 11" or larger, of the proposed work. For commercial entrances include a plot plan of the proposed installation. Entrance locations and utility installations must be approved by the County Engineer or his authorized representative. Drainage structural requirements to be determined by the County Engineer.

MATERIALS AND METHODS: All materials and construction methods used on the work within the limits of the road right-of-way shall be equal to or better than that required by the Standard Specifications for State Road and Bridge Construction, current edition. Commercial entrances shall be surfaced with material of the same general type as roadway surfacing.

COMPLETION: The Petitioner shall furnish all material, do all work, pay all costs and restore said right-of-way to the condition existing prior to approval of the work described on this permit. Work to be completed with _____ day(s) of Approval Date, otherwise permit is null and void. An extension of time may be requested in writing, Petitioner agrees that an approval signed copy of permit will be on the premises before any work is performed.

OSBSTRUCTION OF TRAFFIC: Petitioner agrees that there will be no interference with traffic, unless specifically provided for as a part of the permit. Traffic protection to be in accordance with the Uniform Manual for Traffic Control Devices.

RIGHT-OF-WAY: Petitioner agrees that no portion of the right-of-way will be used for parking, advertising signs or any other commercial activity. Any sod, shrubs or trees destroyed by this work shall be replaced as directed by the County Engineer. The Petitioner, his successor or assigns, shall assume all risk and liability for accidents and damages that may accrue to persons or property on account of this work. That in the event the County deems it necessary or proper to make any alterations or improvements along or upon the highway or right-of-way, the petitioner agrees to save Barton County harmless to any damage to said petitioners construction along or upon the said highway or right-of-way and the Petitioner further agrees that upon notice being served upon him, he will, within a reasonable time, alter, change, relocate or move his construction or work off the highway or right-of-way as requested by Barton County without expense to the County.

PERMIT GRANTED THIS _____ DAY OF _____, 20_____.
